

**WAR AGAINST RAPE  
INTERNSHIP PROGRAM  
June to August 2015**

The internship program of War Against Rape (WAR) during the summer months of June to July 2015 has been a very successful and productive one. The interns worked in cooperation with WAR’s professional staff and took part in compiling data, editing research reports in English and their translations into Urdu, assisted in fund raising events, updating the web site, making field visits to shelter homes, courts, police stations, meeting with survivors of sexual abuse receiving free legal aid, psychotherapeutic counseling, basic medical assistance, and crisis intervention.

One of the interns, Hannah Sutton, prepared a project proposal for the security needs for WAR.

The interns came from various national and international schools, colleges and universities.
