WAR AGAINST RAPE STRONGLY CONDEMNS THE KARACHI UNIVERSITY SEXUAL HARRASSMENT INCIDENT

KARACHI, January 8th, 2015; War Against Rape (WAR) has taken a serious notice of reports in the press of sexual harassment by a teacher in the Urdu department on a student. This report is particularly alarming as WAR had already got reports of sexual harassment in the Karachi University.

WAR strongly urges the Management of Karachi University to take immediate action in constituting an impartial Committee in order to reach the truth. WAR urges the Management to also take immediate action to bring about serious reforms in the University, which can only start when the University Management is willing to take disciplinary action up to termination, when required.

War Against Rape emphasized that they remain fully committed to a society based on justice and human rights, with no sexual violence on women.
